REMARKS

A petition to revive the above application with required fee is filed herewith. No terminal disclaimer is required. Applicant on this same date has filed a continuation in part application with a claim of priority on the above application, a copy of which is enclosed. The above application was unintentionally abandoned on April 29, 2003. Applicant requests revival of said application only for the purpose of establishing priority of said continuation in part application. A last office action stated that additional searching was required for newly amended claims. The present continuation in part application contains a new set of claims as compared with the above application. Applicant requests
